Garbage

Garbage from households can be deposited in the underground containers placed at the distribution roads. Garbage must be packed in closed plastic sacks.

This also applies to:

Pizza cartons, plastic bottles and wrappings, napkins, milk-, juice-, wine-cartons, etc.

Glass, sharp items, hot or wet items, or the like must not be thrown into the containers.

Paper, and cardboard

Papers and printed matters must be deposited in the green paper containers.

These are located at

- Dalstrøget 60
- Dalstrøget 74
- Dalstrøget 81
- Dalstrøget 94
- Dalstrøget 101 og
- Dalstrøget 112

Cardboard and plastic can be deposited as small combustibles at our local refuse station.

Glass and batteries

Bottles and other glass containers can be deposited at the containers at Netto and similar places. A container for batteries can be found at Netto, too.

The basements

Due the risk of fire, it is not allowed to place refuse or combustible items in the open parts of the basements.

Local refuse station

Nordre Munkegaard has a fenced refuse station at Dalstrøget 114 – 124. Use your key for the basement to access the refuse station.

At our refuse station you may borrow a pushcart for transport of larger refuse items. Please return the cart after use.
