

Waste, which may be delivered to our local recycling station includes:

- Small combustibles less than 1x1 m and without metal and electronics
- Larger combustibles, e.g. furniture
- Electronics (TV, computers, etc.)
- Iron and other metals
- Yard waste
- Chemicals, paint, oil, etc.
- Fluorescent tubes and energy-saving bulbs

Waste, which is not accepted at our local recycling station:

- Construction waste, such as kitchen elements, toilets, tiles, etc.
- Porcelain / glass
- Glass bottles
- Car batteries and car tires

The container for garden waste is only for vegetable waste. No flower-pots, plastic bags, nor stones.

Small combustible waste must be deposited in the closed container.

Other waste must be sorted and left in the compartments according to the signs. Help keeping our recycling station nice.

Garbage

Garbage from households must be deposited in the underground containers placed at the distribution roads. Garbage must be packed in closed plastic bags.

This also applies to:

Pizza cartons, plastic bottles and wrappings, napkins, milk-, juice-, wine-cartons, etc.

Glass, sharp items, hot or wet items, or the like must not be thrown into the containers.

Paper, and cardboard

Clean papers and printed matters must be deposited in the grey paper containers.

These are located at

- Dalstrøget 60
- Dalstrøget 74
- Dalstrøget 81
- Dalstrøget 94
- Dalstrøget 101 og
- Dalstrøget 112

Clean cardboard waste must be deposited in the grey containers marked Pap close to the wastepaper containers.

Glass and batteries

Bottles and other glass containers must be deposited in the community's containers at Netto and at similar locations. A container for batteries can be found at Netto, too.

The basements

Due the risk of fire, you are not allowed to place waste or combustibles in the open parts of the basements.

Local recycling station

Nordre Munkegaard has a fenced recycling station at Dalstrøget 114 – 124. Use your basement key to access the recycling station.

At our recycling station you may borrow a pushcart for transport of larger waste items. Please return the cart after use.
